

Respite Program Update

We are very pleased to announce that for the first time in over six months we will be opening our doors to the children, families, individuals and staff that we have missed so dearly. Our Respite Program will resume programming beginning September 26, 2020. Our newly revamped and COVID safe Respite Program will be conducted as a day program running from 9am-5pm on Saturdays and 9am-4pm on Sundays. Each weekend will include activities such as crafts, movie night, Zoom calls from therapy dogs, nature walks and campfires. Please note that our Respite Program is not open for applications. Individuals attending our Respite Program will be pulled from a list of already accepted applications and will be contact directly by our Camp Director, Gabriele Clark.

We cannot thank our families, staff, volunteers, donors and community for their support during this difficult time. Their generosity, support, patience and understanding have played an enormous role in getting us to this moment. We are grateful for this opportunity and cannot wait to serve our families again!

Thank You.
